- Designates the Pool is Closed

In our continuing effort to provide the highest safety standards for our members and guests, there will always be at least one lifeguard on duty.

A responsible adult must be in the water with children 7 years of age and younger. If a child is 8 or older and is able to pass a swim test provided by the Y lifeguard, the parent or guardian can leave the pool area as long as they stay in the facility.

Children must be able to pass a swim test given by the Y lifeguard in order to swim in the deep end.

(*) Denotes number of lap lanes available for lap swimming. Please note that there are no lap lanes available during swim lessons. This is to increase the safety of the children participating in these activities. Thank You.
